Internships

Software Engineer Intern, Cruise

May 2023 – Present

- Spearheaded the implementation of advanced tracking tools to meticulously monitor website performance and user engagement.
- Developed robust data collection mechanisms that captured valuable metrics and user interactions, providing a comprehensive understanding of website behavior.

Software Engineer Intern, Meta

May 2022 – Aug 2022

- Collaborated with the Instagram SMB Business team to drive digital marketing initiatives, focusing on enhancing visibility and growth opportunities for small businesses and content creators on the app.
- Developed and implemented innovative solutions to optimize the discoverability and reach of small businesses and content creators within the Instagram ecosystem.

Software Engineer Intern, LeaseAccelerator

May 2019 – June 2019

- Collaborated with the team at LeaseAccelerator to develop an efficient and automated email system that streamlined the company's hiring process.
- Assisted in designing and implementing the email system, ensuring seamless communication with prospective employees and optimizing the recruitment workflow.

Leadership Experience

Teaching Assistant, Introduction to Artificial Intelligence at Cornell University

- Implementing daily lesson plans under supervision of primary teacher and instruct students individually and in groups when confused on particular topics related to course
- Host weekly office hours to help students understand course material and fundamental concepts in AI

Editorial Director, Spoon University

Jan 2020 - Present

- Founded the Cornell University Chapter to exercise my love of blog-writing and to share it with others
- Recruited over 50+ active members in one semester and developed strong executive board
- Edit and publish all articles submitted through the campus chapter

3- Sport Varsity Captain, Weston High School

June 2019 – July 2019

- Elected by my teammates to serve as captain of my high school cross country, swimming, and tennis teams.
- Organized team bonding events and communicated closely with my coaches on how to achieve team goals
- Recipient of the Massachusetts Dual County League Sportsmanship Award

Honors

United States Presidential Scholar Candidate

May 2019

Selected among all high school seniors in the nation to receive this honor by executive order of the President.

Massachusetts Girls State Conference Representative

June 2019

Nominated by my high school and sponsored by the American Legion Auxiliary to represent my district at the 2019 Massachusetts Girls State Conference.
